

To whom it may concern,

I'm writing this letter in support of S.B. number 188. The Borough of Naugatuck has a well-established website and could publish tax legal notices on this site saving the Borough \$3180.00 per year.

Last year because of referendums on our budget we actually had four different due dates on Real Estate, Motor Vehicles and Personal Property and Elderly Bills. With 3 legal notices for each tax bill due date at \$265.00. That's significant savings to our community. It also seems as though we get a greater reaction to items placed on our website than we do to items in the newspaper.

Thank you for your consideration in this matter.

Sincerely,

Jim Goggin
Tax Collector
Borough of Naugatuck
